## SUMMARY

Motivated BCA graduate seeking to leverage strong technical skills and a passion for software development in an entry-level position. Eager to contribute to innovative projects and gain hands-on experience in a dynamic and growth-oriented environment, while continuously expanding knowledge in computer applications and technologies.

## PROJECTS

### Steganography: Hiding Text into P2P Image

- Implemented techniques to securely embed text within digital images using pixel manipulation.
- Ensured covert data transmission without altering the image's visual quality.
- Technologies used: .NET Framework, C#.

### Attendance Management System using Face Recognition:

- Automated attendance management with facial recognition technology for accuracy and efficiency.
- Utilized a real-time database to instantly store and update attendance records.
- Technologies used: Python, OpenCV, Firebase for real-time database.

### Note Master:

- Developed a responsive note-taking application with a clean, intuitive interface using HTML and CSS.
- Ensured cross-browser compatibility and seamless data persistence for enhanced user experience.
- Technologies used: HTML, CSS, JavaScript.

### Portfolio:

- Dedicated and passionate web developer proficient in front-end technologies like HTML and CSS.
- Committed to building responsive websites and dynamic web apps that enhance user experience.
- Technologies used: HTML, CSS.

## EDUCATION

### Master of Computer Application

Sikkim Manipal University

Aug 2024 - Pursuing

### Bachelor of Computer Application

Graphic Era Hill University (CGPA: 8.4/10)

Aug 2021 - June 2024

### Intermediate

G. S Convent (84%)

Apr 2020 - Mar 2021

### High-School

Scholars Valley International School (84%)

Apr 2018 - Mar 2019

## ADDITIONAL INFORMATION

- Technical Skills:** C, Java, Python, Web Development, Android Studio, Critical-Thinking, Problem-Solving
- Languages:** English, Hindi
- Certifications:** JDAC, Certified Java Developer Associate Jul 2024, Web Development Internship by CODSOFT
